

# BLUFF CITY SAMS NEWSLETTER

January 2012

The Lunch at Central BBQ was outstanding as always and everyone enjoyed the food as well as the conversation.

Everyone was happy to have Joyce Hutchison and Her Sister Marilyn attend our gathering for lunch. She still brings things for RMH when she comes to join with us here or at Samborees. Thank you very much. It is a pleasure to have support like this from past Members.

Sad as it is there are two Units that are leaving but will still stay in contact by becoming Associate Members. The Two Units are the Neal, Ben & Lela and the McCullers, Mac. Both units have been with the Chapter a long time and we hate to see them go but it is something that we all must come to grips with down the road. Both units have had long terms with failing health and have had to put their RV's up for sale.

I feel there will be nothing new fourth coming from the New Patch Committee till after the March campout when all are back together. Committee members are here, in Texas and in Florida. If there be any problem with this contact myself or the Wagon Master. Remember that the July and Oct outings are not verified as of this date.

We do have a By-Laws Committee as volunteers have come forward to fill the positions. They will be needed as changes are going to be needed after the State Meeting and to handle possible changes to our By-Laws in other areas.

Again for those that didn't make the meeting, The State Meeting is on 10 March so if you have anything you feel needs to be brought up at the State Meeting, Please get it to me by the first week in March.

The State Web site has the Registration form for the Spring Samboree. Please download it, fill it out, mail it in and please let Me know you are attending. Don't forget to list the Chapter on the form so that we can be grouped together.

Make reservation at Whitten now as sites are going fast and Hernando Point sites are lower numbers (5,6,and 7) already taken.

Don't forget our web site is ([bluffcitysams.org](http://bluffcitysams.org)) and you need to go there to get the latest changes to our Camping Schedule, Committee List, Breakfast Host List, Hospitals List with Directions and Counties where we camp in case of severe weather as all these are being or have been up dated.

# **BLUFF CITY SAMS NEWSLETTER**

**January 2012**

We had a nice amount of supplies for RMH so let us keep it up in the coming Months. They can use all they can get.

Don't forget to pray for those that are of Ill Health or going through hard time. I have also been told that the Phone no matter how smart is easy to use and the person you call may be looking for a kind word from a familiar voice.

Keep the rubber on the road and enjoy life. Till next time.
