

January Planning Meeting

After a slow start to the 2008 camping seasons the Cotton Patch has some new “Pickers”.
We want to welcome the following members:

Tom & Alpie Little

Dave & Lillie Huff

Jack & Mary Johnson

Shirley & Bud Conlee

Bob & Linda Liles

Danny & Mary Ray

The Cotton Patch suffered the loss of over half of our four family members. The Whittington's and The Self's moved out of state and were unable to continuing camping with the group.

We consider ourselves lucky to welcome these new faces to our happy group and are anticipating a fun filled 2009 season. In the January planning meeting The Cotton Patch had three other new families who came to visit with us and may be interested in joining our little patch of pickers.

The March meeting was held at the Sam's Town Hotel & Casino. Bob Liles Opened the meeting in the absence of Christie Woodward. There were eight members in attendance. We voted to adopt a family for Christmas. We will make a basket tailored for the family. Mary Ray has contacts through the Police department to find a family to adopt.

The new offices for 2009 are as follows:

Christie Woodward - *President*

Bob Liles- *Vice President*

Mary Johnson - *Secretary*

Lisa Gillihan- *Treasure*

Tab Gillihan – *Wagon Master*
