

## East Tennessee Happenings

Were you at the Fall Samboree? If you were most of you know that Linda and I left it traveling to Texas to spend the winter. Linda retired 9/30 and we plan to spend the winter in Texas, right now we are in Austin, Texas at La Hacienda RV Resort and is it ever great. On Friday we traveled to Rockport, Texas where we visited what seemed like 1,000 RV Parks, Really only about 10. We had some shock as some of them didn't even resemble their pictures. We have settled on the one pictured on this page. It is Drifters Resort in Rockport Texas. We will be in site 91. It is just a stone's throw from the Gulf of Mexico. They told us that they only had to wear long pants 3 days last year. One thing that we learned is that when someone finds a great park they book a site a year in advance. We lucked out and got one. If you are in this area please give us a call and let's get together. If you missed the Samboree you missed a great time. Your staff will go to any length to make it a great time even getting someone hitched. Or someone crashing a bicycle. The entertainment was great and the food was the best yet. If you are in the Lebanon area please patronize the Ponderosa Restaurant and tell them who you are. Remember the Spring Samboree will be the only one next year so make your plans now to attend. Also keep up with us on our Blog. Just click on this link [The McClures](#) Until then Have a Blessed year.
