

Chapter Member Discount Policy

Tennessee Good Sams offers a \$5.00 discount off the Tennessee Spring Samboree fee for Tennessee Chapter Members in good standing. To be eligible for the discount, the following process is to be followed:

1. The Chapter member discount is offered **ONLY** for the Tennessee Spring Samboree.
2. **ONLY** Chapter Members in good standing in a Tennessee Good Sam Chapter are eligible for a \$5.00 discount off their Spring Samboree registration.
3. To be eligible for the discount, the following must be followed:
 - a. Applications must be sent to the **STATE** prior to **April 1st**. Any applications postmarked after April 1st **WILL NOT** be eligible for the discount.
 - b. The Chapter Member must complete the registration form, sign, and submit to the address listed on the Samboree registration form along with a check made out to the Good Sams of Tennessee to cover the Samboree fees less the \$5.00 discount prior to April 1st.

The Spring Samboree discount policy has been in place for several years, but each year problems come up on the proper procedure to follow to receive the discount. In the past, in order to receive a discount, all Samboree registrations have gone through the Chapter Secretary or Treasurer and submitted by the Chapter with one check from the chapter to the State. Due to the fact that some chapter members are wintering out of state, and others are not having meetings prior to the March 15 cutoff date, a hardship has been put on them as well as the Chapter Secretary or Treasurer to get the applications and money in on time. In order to streamline the procedure and make the discount available to ALL chapter members in good standing, the Tennessee State Committee is going to implement these changes beginning with the 2012 Spring Samboree.

First, the deadline for the \$5 discount on Samboree registrations has been extended from March 15th to April 1st. **Second**, individual chapter members in good standing will be able to send their Samboree registrations directly to the State and receive the chapter discount if their Samboree registration is postmarked prior to April 1st. It is the desire of the State Committee to implement these changes in hopes that the changes will be beneficial to all chapter members and chapter secretaries and treasurers.
