CONSTITUTION

PREAMBLE

With the object in view of stimulating a greater interest and development of the principles of good camping, ecological awareness, decency, harmony through the Club, fellowship among campers, reverence for the woodlands, forests and wilderness areas that are our heritage, aid to fellow campers in any emergency situation no matter how small or how serious, safety in all situations, kindness for our fellow human beings and all wildlife throughout the world; and with the avid desire of creating an enthusiasm which by reason of example, will serve to awaken a spirit of emulation and cooperation to the same and throughout the camping world, we hereby form ourselves into the **INTERNATIONAL GOOD SAM RECREATIONAL VEHICLE CLUB** adhering to the following principles;

I will stop and give aid to fellow campers where safety and traffic conditions permit. I will not attempt to stop and give aid on turnpikes, freeways or expressways, but instead will give three short blasts on my horn to indicate that I am reporting the breakdown to the nearest patrol, toll gate, or police department.

If I am broken down on the expressway, I will raise the hood of my vehicle and/or display other distress device, to indicate I am in need of assistance and stay with the vehicle until help arrives.

I will keep my recreational vehicle in safe condition at all times and give special attention to brakes, tires and running lights.

I will drive within the law and with consideration for others.

I will watch following traffic and pull off the road as soon as possible whenever I am causing a slowdown.

I agree to observe and cause to be observed all posted rules and regulations for the betterment of the enjoyment of outdoor recreational facilities.

I will leave my campsite in better condition than I found it.

I will try to wear a smile (like Good Sam's) and promote the objectives of Good Sam whenever I meet other RV owners.

Consonant with the most liberal spirit of tolerance in the achievement of our purpose, we further agree that in its vigorous pursuit, this organization shall at all times during the span of its existence, maintain an attitude strictly non-sectarian, non-partisan, non-sectional and non-racial, nor shall it, as an organization, take any part in political issues, or the affairs of

state with the sole exception of those which exclusively affect the positive attitude of the future of camping in respect to our defined ideals.
