

K-TOWN SAMS – CHAPTER 21

Letter from the President

December 10th Meeting Minutes

Hello Everyone!

I hope everyone had a good Christmas this year. How quick the year went by. I want to thank everyone for the support you gave me as president of the K-Town chapter. We had a busy year this past year with all the changes made within the International Good Sam and the TN Good Sam Clubs.

We had 8 different campout this year with 8 different types of themes created by our different members who hosted the campout each month. It's nice to get together with everyone sitting around, talking, laughing, playing games, sharing happy times and sad times, and just getting to know everyone.

We have some creative members, who competed against all chapters in the Spring Samboree contest. We won 1st place for the "Best Decorated Table" for the theme "South of the Border".

Our Fall Samboree, the theme was "The Fabulous 50's". The competition between all chapters was the "Best Decorated Window relating to the Fifties. Again we won 1st place. Don't forget the Hollywood Squares skit K-Town put on at the Samboree. There was a lot of fun watching CC playing the role of 'Madame, VM was Miss Piggy, BM was Nutty Professor, JH was PeWee Herman, DG was Tigger, JB played Mimi, JG was Sr. Elvis, JM was Phyllis Diller, and BB was the M.C. Peter Marshall.

And to finalize this year's activities was our Christmas party. There were 50 members that came to the party. The food, of course, was delicious and plentiful. After we ate, we played a game called 'left- right'. Everyone who brought a white elephant gift sat in a circle and had a plate with a number on it. Each gift that was brought had a matching number. Jim Caldwell read a 'Night before Christmas' story and every time the word 'left' was mentioned everyone had to hand the plate to the person next to them on the left and every time the word 'right' was read they had to do the same only to the person to the right. Once the story was finished the number on the plate matching the number on the gift was given out. Once everyone got a gift that's when the fun began, picking and choosing the gift you wanted and taking from someone else. Jarome and Freda Rogers put on a skit with the help of Dub Clark and Bruce Bell. It appears that everyone there had a good time.

Now it is time to start all over again, at the January 21st meeting at Shoneys, on 401 Lovell Rd., Knoxville, about Noon. We will plan the year's events. I feel we will have as good a time this year, as we did last year. Hope everyone had a Merry Christmas and a safe New Year.

Camille and I are going to spend our Christmas in New Jersey with her grandchildren. This time we will be driving up there and leaving the camper home. That means "no events with the rig this time". Plus her sons are going to put Camille into a bubble so there will be no hospital visits.

She also received happy news from her oldest son, Paul. She is going to be a grandmother again, only with twins this time. The due date is in July 2012.

Soup Day at Ronald McDonald House

January 9, 2012 is the day we make soups for the Ronald McDonald House. The soups are taken care of but we could use rolls, salads, cookies etc.

Our Christmas Party was December 10th. It was at the Masonic Lodge. It was a lot of fun!! Thanks to Larry & Mary Eikenberry for the games, Jim & Carolyn Caldwell for the lovely music and skits. Thanks goes out to Chris Cox for getting the caterer. A special thanks to all the decorators. It was beautiful!! What a team!
