

## WEST TENNESSEE HAPPENINGS

At this writing our weather has turned cool and we hope all of you are enjoying camping with campfires, wiener roasts and marshmallows toasting.

Another Samboree has come and gone, and for all of you that attended the October Samboree in Lebanon, we thank you for your support and hope that you enjoyed the activities.

As Paul and I prepare to close out the year 2011 and make our plans for the New Year 2012, we have made the decision to drop off the State Staff with the close of 2011. We have enjoyed being your ASD for the last two years and cherish the many friendships we have formed with you. Ron, Loretta and Staff have been a great group to work with. As we continue as members of the Golden Circle Chapter, we will look forward to seeing all of you at the Spring Samboree in May 2012.

May each of you have Joyous Holidays and a great New Year.

Happy Camping  
Paul and Judi
